Application for variation of registration under section 73M of the *National Disability Insurance Scheme Act 2013* (NDIS Act)

NOTICE OF DECISION

I am a delegate of the NDIS Quality and Safeguards Commissioner.

I refer to your application for variation of registration under section 73M of the NDIS Act, lodged by you on 1 June 2023. I also note your audit report lodged with the NDIS Commission on 26 September 2022.

I have considered the application to vary the registration by adding the following class of support to your current registration, and I have made the decision to approve the application:

- 0115 Assistance with daily life tasks in a group or shared living arrangement

In approving the addition of the above class of support, I remind you of your obligations as a registered provider that in delivering this service, only employees who are competent in relation to their role, hold relevant qualifications and have relevant expertise and experience to provide person centred support should deliver this service.

I confirm that the audit report submitted by your approved quality auditor indicates that The Paraplegic & Quadriplegic Association Of N S W were assessed as meeting the relevant standards and requirements within the Core Module of the NDIS Practice Standards. The omission of this registration group from your registration was an administrative oversight and I apologise for any inconvenience this may have caused.

I also take this opportunity to remind you of your obligation under Section 73F of the NDIS Act, as a registered NDIS provider, to comply with conditions of registration, including the following existing additional condition applied under Section 73G of the NDIS Act:

Condition one

A condition under Section 73G of the NDIS Act in relation to the provision of support under 0107 Assistance with daily personal activities, for risk assessment of participants who

If you have any questions about your registration, please contact the Provider Registration team at the NDIS Commission on 1800 035 544 or via email at: registration@ndiscommission.gov.au.

Yours sincerely

Fatima Mirza
